

March 30, 2020

Miami County Chamber of Commerce & partner organizations,

As you are aware, COVID-19 is in Miami County and Miami County Public Health is working diligently to keep the community updated on the most recent, up-to-date information. The Centers for Disease Control and Prevention and the Ohio Department of Health have developed interim guidance resources for businesses. Resources are listed below:

CDC has developed "Interim Guidance for Businesses and Employers to Plan and Respond to Coronavirus Disease 2019 (COVID-19)" which is available on CDC's website at https://www.cdc.gov/coronavirus/2019-ncov/specific-groups/guidance-business-response.html?CDC_AA_refVal=https%3A%2F%2Fwww.cdc.gov%2Fcoronavirus%2F2019-ncov%2Fguidance-business-response.html. This guidance may help prevent workplace exposures to acute respiratory illnesses, including COVID-19.

CDC also offers "Environmental Cleaning and Disinfection Recommendations" for non-healthcare facilities with suspected or confirmed COVID-19 cases available at <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/cleaning-disinfection.html>.

ODH offers a COVID-19 fact sheet for businesses/employers that contains helpful information, including a "checklist" of steps that businesses/employers which remain open under the Stay at Home Order can take to prevent the spread of COVID-19 in the workplace at <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/home/covid-19-checklists/businesses-employers-covid-19-checklist>.

MCPH appreciates your continued efforts to help slow the spread of the virus in our community.

Best regards,
